FM Broadcast Stations) RM - 11214
(Norfolk and Windsor, Virginia))
)

To: Office of the Secretary
Attn: Assistant Chief, Audio Division
Media Bureau

DOCKET FILE COPY ORIGINAL

COMMENTS

Clear Channel Broadcasting Licenses, Inc. ("Clear Channel"), licensee of Stations WJCD(FM), Windsor, Virginia, and WKUS(FM), Norfolk, Virginia, by its counsel and pursuant to Section 1.415 of the Commission's Rules, hereby submits its Comments in the above captioned proceeding. *See Notice of Proposed Rule Making, ("NPRM"), DA 05-767.* Clear Channel's Petition for Rule Making proposed (i) the reallocation of Channel 299A from Windsor, Virginia to Norfolk, Virginia, (ii) the reallocation of Channel 287B from Norfolk, Virginia to Windsor, Virginia, and (iii) the modification of the licenses for Stations WJCD(FM) and WKUS(FM), accordingly.

The *NPRM* requested comments on the public interest benefits of Clear Channel's proposal. As stated in Clear Channel's Petition, grant of this proposal is in the public interest because it will provide a net gain in radio service to 1,023,941 people. Even though a small loss area will result, the Commission considers net population gain in its public interest determination. *See Okmulgee, Oklahoma, et al.*, 10 FCC Rcd 12014, ¶ 13 (1995). Further, as shown in Clear Channel's Petition, the small loss area will continue to receive at least 5 other

No. of Copies rec'd
List ABCDE

674

aural services and will thus remain well served. Finally, because Stations WJCD(FM) and WKUS(FM) are merely exchanging communities of license, there will not be a loss of local service at either Norfolk or Windsor.

The *NPRM* also requested comments on the community status of Windsor, Virginia. Windsor has previously been determined to be qualified as a community by virtue of the allotment of Channel 299A. *See Windsor, Virginia*, 2 FCC Rcd 4229 (1987). Windsor is listed in the 2000 U.S. Census with a population of 933 persons and therefore is presumed to have the status of a community for allotment purposes. *See Arnold and Columbia, California*, 7 FCC Rcd 6302, ¶ 12 (1992).

Windsor was incorporated as a town in 1902. According to the town website, <http://www.windsor-va.gov/>, the town is governed by a Town Council composed of an elected mayor, vice-mayor, and five council members. The town government has several departments, commissions, and committees such as public works, fire, rescue squad, police, finance, and planning and zoning. The Town of Windsor owns and operates a water system and it has a public library. The residents of Windsor attend public school at Windsor Elementary School, Windsor Middle School, and Windsor High School. The zip code assigned to Windsor is 23487, and the United States Post Office operates a branch in Windsor. A number of local businesses identify with the community by using "Windsor" in their name, including Ducks Windsor Florist, Windsor Satellite and Electronics, Windsor Veterinary Hospital, Windsor Amoco, Windsor Automotive Center, Windsor Café, Windsor Dry Cleaning, and Windsor Fitness. *See* Exhibit 1.

Clear Channel hereby reaffirms its interest in (i) the proposed reallocation of Channel 299A to Norfolk and the modification of the license for Station WJCD(FM) to reflect Norfolk as

its community of license, and (ii) the proposed reallocation of Channel 287B to Windsor and the modification of the license for Station WKUS(FM) to reflect Windsor as its community of licensee. If the petition is granted, Clear Channel will file applications for Channel 299A at Norfolk, Virginia and Channel 287B at Windsor, Virginia and will construct the facilities if its applications are granted.

Respectfully submitted,

CLEAR CHANNEL BROADCASTING
LICENSES, INC.

Message from the Mayor

Welcome to the Town of Windsor's web site, we hope you will visit this site regularly, use it as a source of information and share your comments with us from time to time. Your mayor, council members and town staff hope this web site will be beneficial to you.

The basic purpose of local government is to provide essential services and protection to our citizens. With this in mind, our mission statement proclaims "In cooperation with the citizens and businesses in the Town of Windsor, we pledge to deliver cost-effective services in a personal and responsive manner while striving to enhance the quality of life."

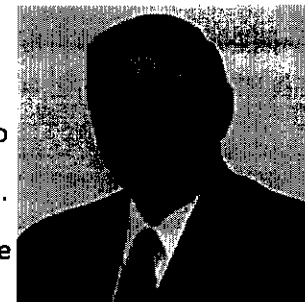

The Town office staff will keep updating the web site and will provide links to other sites of interest in connection with the Town of Windsor. Should you have any questions, please contact the Town offices.

Marvin A. Crocker, Jr.

Message from the Town Manager

As the administrative and executive manager of the Town of Windsor, and on behalf of all the employees, welcome to the Town of Windsor. I would like to extend an open invitation to you to visit us at our municipal building at 8 E. Windsor Blvd. My door is always open. The Town's employees have made it their mission to enhance the value of life in Windsor by working cooperatively with the

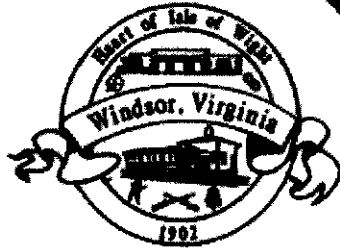

community to promote public health, safety, order, and prosperity. We strive to maintain the highest quality of service to meet the present and future needs of the community.

The Town of Windsor operates under the council-manager form of government. The Town Council is composed of a Mayor and six Council members elected at large on a non-partisan basis. The manager is appointed and serves at the pleasure of Council. The Town Council adopts general policies and legislation which the Town Manager implements to ensure effective and responsive municipal services.

Public Works & Utilities

Public Utilities

The Town of Windsor owns and operates a water system. The Town is in the process of expanding the water system to the newly annexed areas as an effort to promote a reliable and safe source of drinking water. The expansion also includes an additional deep well which will be able to pump approximately 400 gallons a minute. A new overhead storage tank (pictured on homepage) will provide a 300,000 gallon capacity. With these improvements, the majority of the town will be served by the Windsor water system.

Water service is billed bimonthly. Each new water customer is required to pay a deposit of \$75 and a non-refundable administration fee of \$15. Base rates for water are \$16 for 6,000 gallons or less per billing cycle (two months). The rate for 6,000 to 12,000 gallons is \$2.50 per 1,000 gallons. Over 12,000 gallons, the rate is \$2.75 per 1,000 gallons.

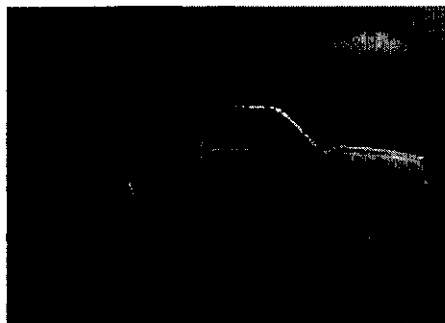

When water service to any premises is disconnected by the Town for any reason, only an authorized Town representative shall reconnect water service. A reconnection fee may be required if service is disconnected for non-payment of the utility bill.

Water leaks are handled by the town's maintenance personnel. After hours emergencies should be reported to the Isle of Wight County Sheriff's Department at 357-2151 who will contact the appropriate town personnel.

In accordance with state and federal regulations the Windsor Water Department prepares an annual water quality report. (*Word Document*)

Sewer service is available in certain areas of the Town of Windsor by the Isle of Wight County Department of Public Utilities, 365-6319, in coordination with the Hampton Roads Sanitation District. Please contact these offices with specific questions about sewer service.

Public Works

The Town of Windsor provides door to door trash collection weekly on Wednesday mornings. All refuse must be placed in a container no larger than 32 gallons and placed curbside by 7:00 a.m. for pickup.

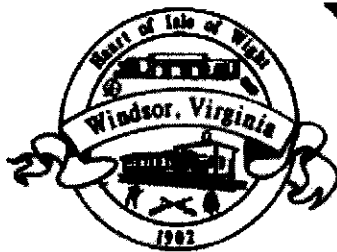

At other times, trash may be taken to the Windsor Transfer Station located on Windsor Blvd. (Route 460) at the intersection of Stave Mill Road. This station will accept appliances, used motor oil, recyclables and yard debris.

Household hazardous waste may be disposed of free of charge at the Isle of Wight Transfer Station, 13191 Foursquare Road, Smithfield on the third Friday of each month from 9 am to 12 noon. They accept paint, pesticides, antifreeze, fuels, hobby supplies, insecticides, herbicides, paint thinners and solvents, fertilizers, swimming pool chemicals, household cleaners and batteries.

Additionally, the Town of Windsor provides a curbside cleanup day in the spring and autumn. This allows citizens the opportunity to dispose of appliances, yard debris, and other items that may be cluttering up their attics and yards.

Windsor History

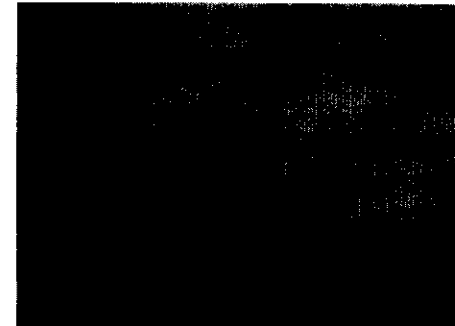

The first recorded name for what became the Town of Windsor was Corrowaugh. In 1852 Corrowaugh was established as a post office and mail was brought once a week by courier until 1859 when the contract for mail service was given to the Norfolk & Petersburg Railroad (now Norfolk Southern). The railroad built a depot and it was called Windsor Station.

In 1902 some of the citizens decided it was time to organize the town. The charter was

granted by the General Assembly on March 15, 1902 and Windsor Station became the Town of Windsor, Virginia. The officers appointed were Charles T. King, Mayor. Councilmen were C.L. Griffin, William S. Holland, C.W. Bailey, Franklin Pierce, John S. Vaughan, Francis C. Roberts, W.J. Rhodes, and J.F. Deans. The first Council meeting was held April 11, 1902 and the officers were sworn in. The Council met in various locations in the town until a Municipal Building was built in 1962. This building also housed the Volunteer Fire Department until 1992 when a new fire station was built on East Windsor Blvd. In 1995 the Municipal Building was renovated and the fire department bays became the Council Chamber and two small offices. The main road through town is Route 460 which was opened to travel in 1929.

The Volunteer Fire Department was established in 1947 and two fire engines were purchased.

In 1950 the Windsor Ruritan Club and the Town of Windsor built a "Community House" which has been a valuable asset to the community over the years. Since 1970, the Ruritan Club has owned and operated the building.

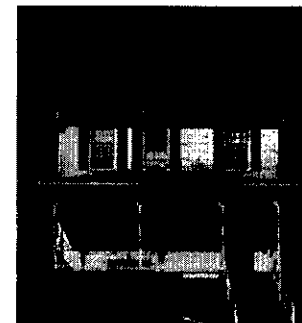

In the next three decades the town services improved and expanded. The streets were upgraded and paved, sidewalks extended, additional streetlights installed, drainage improved, and ditches piped and filled in. The privately owned water systems in the town limits were purchased by the town, upgraded, extended and an above ground water storage tower was erected. In 1971 the Windsor Volunteer Rescue Squad was founded and continues to provide service to the town and surrounding community. A small park was established and named Robinson Park in honor of M.H. Robinson who

was a council and mayor for many years. The Walter Cecil Rawls Library located a branch adjacent to the park on Duke Street on land donated by the Town of Windsor. In 2001, Isle of Wight County installed a central sewer system in the town which opened up many areas for new homes and businesses.

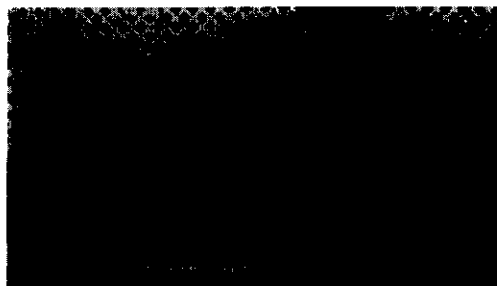

The town established a police department in 1990 and the county sheriff was appointed as Police Chief. The town hired county deputies in their off time for a few hours each month to work in Windsor. In 2001, the town hired its own Police Chief thus establishing the first Windsor Police Department. This department was the first newly created police department in the Commonwealth of Virginia in the past 15 years. In 2003 a second officer was hired and the police vehicles were upgraded to Dodge Intrepids.

In 1991, the Windsor Ruritan in conjunction with the Windsor Woman's Club and the Junior Woman's Club decided to show their appreciation to the town for their many years of support by holding a July 4th Celebration. Food, entertainment and fire works were provided at no cost to the residents. This successful event continues to this day.

Over the years a Windsor Planning Commission was appointed and a Board of Zoning Appeals was established.

A Zoning and Subdivision Ordinance was put in place in the 1970s and then updated effective January 1, 2000.

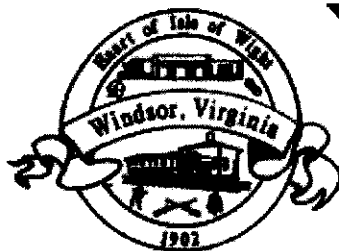

July 1, 2001 the State of Virginia approved Windsor's request to annex 2.82 square miles of Isle of Wight County and the town jumped in size from 1 square mile to 3.82 square miles and in population from about 900 to 2,347. This endeavor took about five years to accomplish and included numerous meetings with Isle of Wight officials to approve a Voluntary Settlement Agreement.

The Town of Windsor is a friendly small town and a nice place to live. With two main roads bisecting the town, Route 460 and Route 258, there is easy access to all the Tidewater area of Virginia.

Police, Fire & Rescue ***Emergency Dial 911***

Windsor Police Department

Crime Tip Number - 242-0328

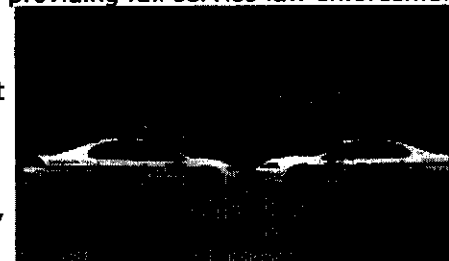

The Town of Windsor Police Department was authorized by an ordinance enacted by the Town Council on March 13, 1990. From 1990 until 2001, law enforcement services were contracted to the Isle of Wight Sheriff's Office, with all patrol and investigative functions provided by Sheriffs Deputies.

With the appointment of Thomas M. Hoernig, the first Police Chief was sworn in on December 11th, 2001, thereby establishing the Windsor Police Department.

On September 8, 2003 the Windsor Police Department hired Eric Keller as a full time police officer. Officer Keller's addition to the force reinforces the department's motto of "Community First" and their commitment of providing full service law enforcement coverage to the citizens of Windsor.

The current emphasis of the police department is to answer calls for service, promote citizen education and protection programs, and increase traffic safety through routine enforcement. As the department grows in size, the capabilities and services will be expanded

to provide additional services such as youth educational programs, neighborhood watch coordination and enhanced security patrols.

About the Chief

Chief Tom Hoernig came to Windsor from the Portsmouth Police Department where he served for 6 years. Prior to serving in Portsmouth, Chief Hoernig served twenty years in the United States Navy as an Operations Specialist and Master-at-Arms. He originally hails from central Missouri and holds a Bachelor of Science degree in Criminal Justice from Alameda College and University.

Windsor Volunteer Fire Department

The Town of Windsor and the surrounding area is served by the Windsor Volunteer Fire Department which is located on Windsor Boulevard (Route 460). It is funded by both Isle of Wight County and by the Town of Windsor. There are currently 50 members in this dedicated organization.
